Dr. Hedgewar College of Nursing
Aurangabad

SWACHH BHARAT MISSION

“A Clean India would be the greatest tribute India could offer to Mahatma Gandhi on his 150th birth anniversary in 2019,” said Shri Narendra Modi, as he launched the historic Swachh Bharat Mission at Rajpath, New Delhi. On 2nd October 2014, the mission was inaugurated as a nationwide movement with the vision of ensuring cleanliness throughout the length and breadth of the country. Since then, Swachh Bharat Abhiyan has emerged as one of the most impactful and significant cleanliness campaigns initiated by the Government of India.

The primary aim of this campaign was to realize the dream of a “Clean India” by 2nd October 2019. In contribution to this noble movement, the Department of Community Health Nursing of Dr. Hedgewar College of Nursing organized a cleanliness drive under Swachh Bharat Abhiyan on 15 September 2025 at Rural Area, Adul PHC, CHH. Sambhajinagar. On this day, enthusiastic nursing students gathered in the rural locality with a strong sense of duty and responsibility to clean and beautify the surroundings.

The program commenced with teachers dividing the students into groups and assigning specific areas for cleaning. Students diligently picked up dry waste, plastics, papers, and other non-biodegradable materials, carefully collecting them in BMW waste bags. This activity highlighted the importance of segregation and safe disposal of waste, while simultaneously spreading a powerful message on the value of hygiene and cleanliness within society.

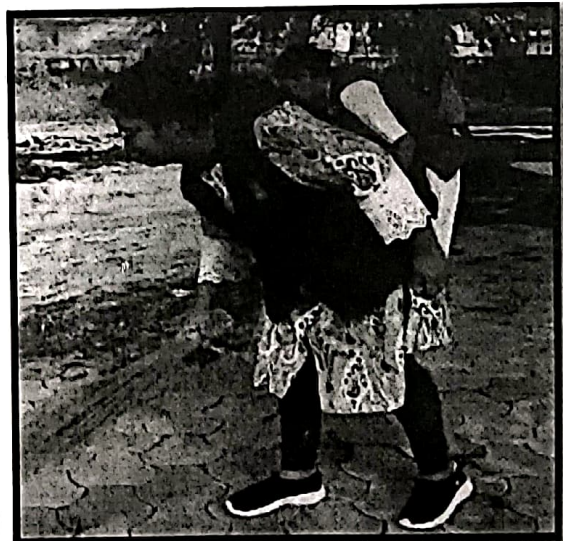

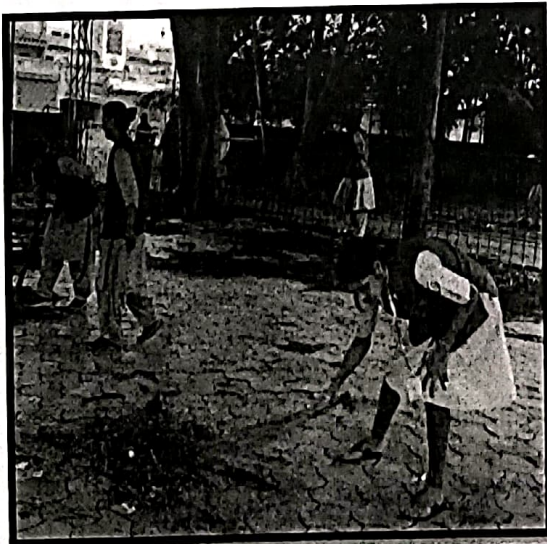

With remarkable dedication, students not only cleaned the assigned regions but also extended their efforts to the surrounding localities, ensuring thorough sweeping and sanitation. Alongside, motivational quotes, awareness messages, and slogans on cleanliness and health were shared by the students to sensitize the local

community. The initiative was further beautified by watering plants, nurturing gardens, and cleaning public spaces, symbolizing the collective responsibility of protecting and preserving our environment.

Such activities serve as an inspiration for all citizens to embrace the essence of cleanliness in their daily lives. In rural regions, where toilet facilities are often inadequate and open defecation remains a challenge, these initiatives become even more meaningful. Lack of sanitation not only poses health risks but also hinders the dignity and well-being of individuals. Hence, campaigns like Swachh Bharat Abhiyan play a vital role in improving living standards, preventing diseases, and fostering a healthier society.

This noble drive by the students of Dr. Hedgewar College of Nursing stands as a testimony to their social responsibility, leadership, and commitment towards community welfare. It reflects the spirit of teamwork, discipline, and dedication to the vision of a Clean, Green, and Healthy India.
